Dear Panelist,

You are reminded that as a member of the Nassau County Assigned Counsel Defender Panel, you are eligible to receive the benefits of the enclosed Westlaw offer, but only until November 30, 2006.

Please also note that the enclosed materials include over 40 new books devoted to Criminal and Family Law practice in New York that were not included in the materials originally sent to you. I hope these materials are helpful.

Very truly yours,
