Dear Panelist,

There is a **chance** that we may be able to have the County provide certain benefits to members of the 18B Panel. With this in mind, I would like to compose a list of possible benefits, i.e., things that you would like to have the County provide that would make your life as an 18B practitioner easier or that would enable you to work more efficiently.

Please give this matter some thought, complete the lower portion of this form and fax or mail it back to me as soon as possible. Time is short so please put this on the front burner.

Thank you.

Very truly yours,

Patrick L. McCloskey

I suggest that the County provide the following to 18B Panelists:
